Love The Light And Lifestyle

Brilliant by design, this three bedroom, two bathroom, contemporary residence is stylish, bathed in natural light and benefitting from its own street frontage and driveway. A smart front garden sets the scene, introducing good looks and low maintenance needs throughout. Open plan design makes the most of a coveted northerly rear aspect, with the kitchen, dining and living domain flowing to an enticing entertainer's courtyard. Waterfall stone, matching splashbacks and stainless steel appliances distinguish the kitchen, making meal prep a pleasure. Relaxing bedrooms come with built-in robes and are divided between the two storeys, as are the two dual entry bathrooms with stone accents, including one with a luxuriously deep bath. Complete with a concealed laundry, polished floorboards, heating, air conditioning, under-stair storage, rainwater tank and automatic garage, it's hard to go past. Only a stroll to transport and local shops, it's also convenient to top schools, Milleara Shopping Centre, parks and Ring Road access.
