New home in popular Ballina Heights Estate

This impeccably designed home boasts a spacious, light-filled layout with ducted air conditioning and multiple versatile living areas. The open-plan kitchen, dining, and living space is thoughtfully crafted for entertaining and relaxation, featuring ample storage, premium stone benchtops, a dishwasher, and a convenient walk-in pantry.

Accommodation includes four generously-sized bedrooms, each with built-in robes and ducted air conditioning. The master suite offers an ensuite, while the other two bathrooms showcase a contemporary, neutral color palette, with the main bathroom providing both a separate shower and bath tub.

The exterior of the property features low maintenance gardens, and side access ideally suited towards a boat, caravan or trailer.

Additional highlights:

- Option for a fifth bedroom or dedicated guest accommodation on the ground floor.
- Three bathrooms, each with a shower, toilet, and stylish vanity.
- Open-concept layout integrating kitchen, dining, and living areas seamlessly.
- High-quality gas cooktop paired with an electric oven for an optimal cooking experience.
