Immaculate Townhouse in Central Location

Welcome to a modern, light-filled residence designed to blend comfort with style and practicality. The moment you step inside, you're greeted by a spacious open-plan living area with soaring ceilings and split system air conditioning, ensuring a cool and inviting atmosphere year-round. The timber staircase, complemented by an expansive staircase void, serves as a centrepiece, guiding you to the private quarters upstairs.

The heart of the home is the well-appointed kitchen, featuring quality appliances and a versatile island bench-perfect for everyday living or entertaining guests in style. There is also direct access to the terrific outdoor entertaining zones.

Upstairs, the private accommodations include three generously sized bedrooms, each equipped with built-in robes and air conditioning for added comfort. The enormous master suite is a standout, offering an elegant retreat complete with super high ceilings, ample storage, a luxurious ensuite, and access to a quaint balcony. The additional bedrooms share a thoughtfully designed two-way bathroom, balancing functionality with privacy.

Outdoors, the low-maintenance design provides a peaceful space to relax and entertain, featuring a stylish combination of Colorbond and double-paled fencing for enhanced privacy and curb appeal. The property also boasts a rare secure double garage with direct access to the outdoor entertaining area, adding convenience to the home's thoughtful layout.

This home is a perfect fusion of modern aesthetics and practical living in a location that could not offer any better convenience than what this does.
