Type: Townhouse

Classic, Carefree & So Quiet to the Rear!

Wander down this long drive and find rare one-of-two value in this invaluable beachside locale. Hidden quietly to the rear at this iconic park-precinct school-zone address, this sizable two bedroom home stretches out with two free-flowing living zones providing space to lounge, dine and entertain beside a classic kitchen with updated stainless-steel dishwasher.

Comfortably accommodating with bedrooms set in a quiet wing alongside a quality bathroom with separate WC, this centrally-heated and reverse-cycle air-conditioned home features an airy all-season reversible fan for the casual living area, built-in robes for both bedrooms, and access to a sheltered amenity area for the large laundry.

Secured by Smartphone-operated CCTV with the additional peace of mind of roller-shutters, there's easy parking in an oversized auto-garage... and an easy life in these completely carefree paved and pebbled surrounds. Best of all, there's this blue-chip beachside address amongst the prestige new homes and mid-century renovations of this tightly-held locale.

Surrounded by schools and parklands with the bus at end of the street bringing stations and Southland within easy reach, this central beachside location has Seaview shops and Concourse shopping both within a walk, and in-demand zoning for both Beaumaris and Mentone Girls Secondary Colleges to add to the rewards. For more information about this great value rear home contact Wesley Belt at Buxton Mentone on 0418 310 753
