Type: Townhouse

Phil Chapman

Well located opposite reserve

This delightful home offers a modern low maintenance easy living lifestyle. Well positioned in a sought-after location opposite a reserve with parks and playgrounds nearby. This charming home benefits from its convenience and style.

There are two good sized bedrooms, both with built-in robes and the stylish bathroom is located between the bedrooms. The open plan kitchen, meals and family room area has plenty of natural light. The kitchen is well equipped with a dishwasher, gas cook top and oven and there is plenty of cupboard and bench space. There is a split system air-conditioner installed for all year round comfort.

The enclosed rear carport with electric roller door offers secure off street parking from the rear laneway access. There is the added benefit of a rainwater tank and garden shed in the rear yard.

This property would appeal to both owner-occupiers and investors and is available now.
