'When Convenience Matters' - Private Sale By Negotiation

Beautifully positioned within a short walk to the Oak Park train station and the Snell Grove shopping strip, local schools and an abundance of Parkland.

This updated Townhouse is the perfect location to base yourself from.

Originally built in 2017, the home has been freshly painted, new carpets laid throughout and the floorboards in the living area have been recently re polished and they look great.

Some of the homes features include split systems to both of the bedrooms and living area, there's plenty of storage, a large central bathroom, a North facing rear courtyard with undercover entertaining area. A carport provides convenient off street parking for those requiring easy access to the Citylink or the Western Ring Rd.

All in all, this is a very well presented home that's centrally located with easy access to the train, shops, schools, parkland and major arterials.
