Family Luxury In Lifestyle Locale

Enviably positioned to enjoy Bayside's privileged lifestyle, this generously proportioned and impressively appointed four-bedroom, three-bathroom contemporary residence is custom-designed for effortless family living and entertaining, just a short walk to Highett Road shops and station.

Just three years old, and presenting as new, engineered oak flooring, soaring three-metre ceilings and generously proportioned dimensions are introduced at the entry, where a home office space heads a wide hallway that leads to the open plan main living area. Defined by a stone island bench with a lineal pendant, the gleaming gourmet kitchen features a 900mm Smeg freestanding range with gas cooktop, a Smeg dishwasher and a large walk-in pantry. Glass sliding doors open to an elevated undercover alfresco deck that steps down to a lush fully fenced lawn area with landscaped borders. Offering a flexible and adaptable double-storey layout, there is a choice of two principal bedroom options to suit multi-generational family living or guest hosting. The upper-level main bedroom has a luxe ensuite, fitted walk-in robe and a study/retreat area, while the other two bedrooms have built-in robes and are served by the main bathroom with built-in tub and walk-in shower. Additional features include a downstairs bathroom, a laundry with external access, individual room split system heating/cooling, and secure off-street parking for two, including a single remote-operated garage with internal access.

This prized lifestyle location is on the beachside of the highway, and it's an easy walk to Highett's cafes, bars and train station. Neighbourhood parks and sports fields include Basterfield Park and Peterson Street reserve. Just minutes away is Hampton Street boutiques, Church Street, Brighton, Southland shopping, and a selection of prestigious Bayside schools, beautiful beaches and coastal trails.
