Contemporary and fresh, this stylish townhouse sits in a perfect position towards the back of the boutique complex of The Parkview. Boasting one of the larger blocks of land in the complex, the home is easy-care with plenty of space for families.

Light and bright throughout, all on one level with easy-care garden areas, step in to appreciate:

- * An easy-care front garden with extra car spacing
- * The front lounge/dining rooms are light and bright with a split system unit for heating and cooling
- * Easy care boards throughout the living areas
- * The kitchen, family rooms look out to the entertainment areas
- * Enjoy a fabulous wrap around backyard with colorbond fencing and vegetable gardens already in place for a new owner
- * Three bedrooms with a two-way bathroom are all a great size
- * The main bedroom has its own split system for heating and cooling
- * Extra side space for a caravan or boat

Those of us not quite ready for a retirement home but wanting to downsize, or a sassy investor who understands the value of a great location, should make the time to see this fabulous home. First home buyers will also appreciate a property where there is plenty of extra space to the front and back for children or family pets.
