Villa on Moorhouse

A single level villa rests within a small development, directly across from O'Connor shops, ANU and the Canberra City. Wooden oak floors with open plan living spills to a sunny fenced, private courtyard, cocooning you in a leafy enclosure.

Northern light fills the open plan design and the design allows for mobility from the front door to the garage.

The complex is made up of 17 townhouses in total. Your villa shares a driveway off the main road for you and 3 other residents. An automatic garage remote with internal access offers ease for coming home at the end of the day.

The reason Canberrans love the Inner North is the lifestyle. The Duxton for great pub food and Flatheads, the cafe ½ of choice for a coffee and croissant. There is also The Ruc for a great parma and a spot of bowls, very popular during the holiday times.

Several parks and ovals are close to hand, you will become part of the illustrious dogs of O'Connor at the O'Connor playing fields. Shared biking and walking paths wind their way through interlinking green spaces to the city. Bus stops are at your door, and it is not far to the vibrant Dickson, Braddon, and Canberra City precincts with a plethora of cafes, pubs and restaurants.

Imagine getting home after work, walking over to IGA or the local loved Thai takeaway. Coming back through your black fence sitting with a glass of cold something in your private courtyard enjoying the late summer nights is where this house becomes your new home.
