A Luxurious Lifestyle Awaits

Nestled in the highly sought-after Tide Residences and just minutes from the tranquil Maroochy River, this stunning 4 bedroom, 2.5 bathroom townhouse offers a perfect blend of luxury, comfort, and convenience. Rarely available, this 'end' townhouse provides the unique benefit of added privacy, enhanced natural light, and a spacious wrap-around courtyard. Its prime location within the complex is complemented by ample visitor parking adjacent to the lot, making it ideal for hosting guests or accommodating additional vehicles.

Built in 2022, the home has been upgraded and boasts elegant design features, including soaring 2.7m high ceilings that create a sense of openness and space. The ducted air conditioning ensures comfort throughout the year, while the filtered water system provides clean, fresh water to every tap in the house. The kitchen is designed for modern living, equipped with a commercial-grade food incinerator that makes waste disposal effortless, while hardwood engineered flooring flows through the main areas, adding warmth and style. The bedrooms are thoughtfully finished with plush wool carpeting for extra comfort, creating a cosy retreat for family members.

Ensuring ease of living, 502 Foreshore Place features a ground floor master suite, with built in robes and its ensuite bathroom, offers an added touch of luxury with a heated towel rail, making mornings more comfortable during cooler months. With a leafy green outlook, it opens directly onto the rear patio and garden space.

The spacious living areas extend to the outdoors, where the covered patio and wrap-around courtyard provides an ideal space for alfresco dining or relaxation. The eco-friendly Compass Click Deck, supported by a durable steel frame, ensures low-maintenance and sustainable outdoor living.

This townhouse's unique corner position not only allows for more outdoor space but also features additional windows that bathe the home in natural light throughout the day. With a secure single lock-up garage and space for a second vehicle on the driveway, practicality meets style in this exceptional residence.
