NEW LUXURY TOWNHOUSE IN PARKLIFE DOVETON ESTATE

Welcome to Parklife Doveton Estate – where on offer is a New Luxury townhouse built. South facing on Box Street with generous native foliage revealed as common front garden with natural native fauna– this home encapsulates modern, low maintenance townhouses that combines the high-quality build and the extravagant size. Its key features are the large double lock up garage and generous balcony size and front terrace, with views to match.

A colour palette of rich textures and neutral tones - The open lounge area with abundant space and natural light is perfect for a little indoor rest and relaxation, and can be used as a canvas for creativity and your own personal touches. With ample room for a kitchen and dining area seamlessly integrates multiple aspects of daily life – forms a relaxing backdrop to meals with family and friends, or even a little work or study on the dining table.

An extra-large master with walk-in-robe and full-ensuite with beautiful and elegant finish and minimal joinery has unique sliding-door access to the front terrace on the ground floor, while 2 extra bedrooms with BIRs enjoys a centrally zoned communal bathroom upstairs towards the open lounge and balcony.
