## SEAMLESS & SOPHISTICATED

It's easy to see why Como is desirable and attractive to many. Leafy tree-lined streets with beautiful homes are abundant in the sought-after suburb, but it doesn't get much better than this exceptional street front Townhouse located Riverside of Como.

Facing one of the most sought after streets, cosmetically revived, this superb abode offers a spacious flowing floorplan which has been elegantly styled to create an impressive three bedroom Hampton inspired residence. A renovated kitchen, complete with quality appliances, ample storage, preparation space and an expansive living/dining area that flows seamlessly into the composite decked pergola.

Crisp white ceilings, attractive plantation shutters and beautiful French doors match the colonial decorative cornice and skirts. Lush certified Sir Walter lawn and brushed gold accents through the home will remain in style for years to come.
