ONE OF THE BIGGEST

Entering this property, it is easy to see that it was built with quality. Unlike most properties of this vintage, it does not show its age. The downstairs, open plan living area is light and bright and leads out to an undercover entertainment area and fully fenced courtyard.

Upstairs there is another air-conditioned lounge room which the newer ones in the complex don't have. The main bedroom is large, has air conditioning, ensuite and long walk-in robe. It also has its own large deck making it the perfect parent's retreat.

It has an internal laundry with extra toilet, so no up and down the stairs for your guests.

The property is tenanted till 4th January 2025 and currently paying \$400 per week. She has been a long term tenant.
