Large open plan living with soaring ceilings and flooded with natural light. New kitchen with ample cupboard space and dishwasher and fridge - overlooking the dining area and out to the compact courtyard garden. 2 double bedrooms, the master with built in robes. This well maintained unit has tidy low maintenance gardens and a carport at the front door with additional parking in driveway if required. This property doesn't have a large yard, but the owner is happy to consider small pets for the right applicant. Just a 10 minute drive to the city or within easy walking distance to bus service. Electric heating/cooling in living area.
