This spacious double-storey townhouse is the perfect blend of modern living and comfort. The lower level features an open-plan layout, with a beautifully designed kitchen that boasts stone detailing, stainless steel Smeg appliances, and a butler's pantry. The kitchen anchors the living and dining areas, seamlessly connecting to a private rear yard. Additionally, there is a bedroom on the ground floor that can also function as a study. Upstairs, the home offers three generously proportioned bedrooms with built-in robes. The master suite includes a walk-in robe (WIR) and a large ensuite with a double shower. The additional two bedrooms also have built-in robes (BIR) and each is equipped with its own split system for year-round comfort. The sleek contemporary bathroom on this level features floor-to-ceiling tiles and an oversized shower. The staircase landing is spacious enough to be used as an additional living area or retreat, enhancing the home's versatility. Other features include a separate laundry, guest powder room, built-in storage options, and tiled floors throughout the living areas with carpeted bedrooms. For added comfort, multiple Daikin split-system air conditioning units are installed throughout the home. The property also includes a double garage with internal access and a convenient shed. Ideally located near local shops, supermarkets, cafes, takeaways, and public transport, with easy access to the hospital precinct, station, Burgundy Street, and Ivanhoe shops, this townhouse offers a fabulous opportunity to live in a highly desirable area.
