Toni BloodworthBarker

Modern Township Charmer, Walk to Everything!

Enjoying a princely position that's all about lifestyle, this beautiful two-bedroom villa unit is mere steps to Gisborne's vibrant coffee culture, bakeries, restaurants, and shops, with the Gisborne Botanic Gardens, aquatic centre, and monthly markets also all within walking distance.

A smart kitchen with electric cooking appliances easily interacts with the meals, and living areas, which open via glass sliding doors to a private north-facing courtyard garden with paved and concreted areas ideal for alfresco dining surrounded by established rose beds.

Accommodation is effortlessly neat, with built-in robes to the carpeted bedrooms, and a stylishly updated bathroom with floor-to-ceiling tiles, a recessed shower, and floating vanity. There's also an internal laundry, and comfort provided by a new split system.

Though a car is rarely necessary, this fantastic township charmer also includes a single carport with a roller door, and additional driveway parking, with easy freeway access nearby. A perfect fit for downsizers, 1st homebuyers, and investors alike.
