Modern, easy-care living close to schools and shops

Enjoy the life of comfort and convenience that most people can only dream of with this modern Rokeby abode. Built in 2020 and one of just two residences on the block, you will be treated to peace, privacy and convenience when you call this prized property home.

The low-maintenance layout will suit a wide range of buyers from young families to those looking to downsize. Three good-size bedrooms and two bathrooms await along with an open-plan kitchen, dining and living room where everyone can come together and relax.

On-trend flooring and crisp neutral colour tones throughout enhance the interior's contemporary aesthetic including in your sleek chef's kitchen. With a suite of stainless steel appliances, a dishwasher and a tiled backsplash, preparing meals will be a joy and you'll also appreciate an abundance of built-in storage including a pantry and open shelving.

All the bedrooms are neatly organised off a shared hallway and have built-in robes with the guest bedrooms ideally located just across from the family bathroom, with a bath. Your main bedroom boasts its very own ensuite for the lucky new owners plus the home's extensive list of extra features goes on to include a compact laundry nook, an attached single carport, a garden shed, an NBN connection and extra off-street parking for guests.

You will live amongst other modern homes, along a quiet street that's so close to all the must-have amenities you could ever hope for. A short walk from your front door will take you to nearby bus stops and the Bayview Secondary College along with John Paul II Catholic Primary School for those with younger children. Picturesque parks, essential services and Rokeby Primary School are minutes away as are a selection of shopping options including local shops, takeaway restaurants and the bustling Glebe Hill Village.
