## Coastal Luxury

Positioned on the ground level, this exquisite 3-bedroom, 2-bathroom apartment showcases luxurious open-plan living within the beautiful beachside community of Casuarina.

OPEN HOMES AND INSPECTION TIMES ARE IN NSW TIME.

Inspired by the coastal setting and the classic design of mid-century Palm Beach architecture, you will find one of the world's most beautiful coastlines just steps away from your new residence.

Expertly designed by acclaimed local architect Danny Juric, this stunning apartment features an airy open-plan kitchen, dining, and living area that effortlessly extends to a spacious courtyard, perfect for entertaining guests.

Enhanced by high ceilings, floor-to-ceiling glass sliding doors, and premium tile flooring, the design creates a naturally flowing and inviting environment.

The gourmet kitchen is a dream for entertainers, featuring an impressive stone island bench, natural oak accent cabinetry, a stainless steel double bowl sink, high-end Miele appliances, and a stylish Liebherr integrated fridge-freezer.

Each generously sized bedroom comes equipped with large wardrobes ideal for upscale fashion. The king-size master suite serves as a serene retreat, complete with an impressive hotel-style ensuite featuring a concealed shower, dual stone-top vanities, and luxurious details like mosaic finger wall tiles, brushed nickel fixtures, and mirrored cabinetry.

Additional premium highlights of this residence include a full-size laundry, a dedicated study nook, ample storage, and secure parking for two vehicles.

Experience contemporary beachside living at its best.

Perfectly located on the stunning northern NSW coastline, just north of Byron Bay and south of the Gold Coast, PAMA Casuarina blends exceptional luxury with thoughtful amenities to create a uniquely inviting residential experience.
