Stylish And Private Single Level Home

Fostering a wonderful sense of safety and security, in a near new complex that was conceived for modern living, this stylish single level home in a peaceful rear corner position, is sure to excite young buyers, downsizers and investors.

Exhibiting contemporary flair across a free-flowing floorplan, the light and airy residence, highlighted by tall ceilings, beautiful flooring and block-out blinds with privacy screens, conjures an instant sense of comfort. The open plan living and dining room is a gorgeous space to unwind and socialise with family and friends, and connects via sliding stacker doors to a sunbathed courtyard with a paved alfresco and a lush side lawn area.

The centrepiece kitchen is configured and equipped for effortless meal preparation. It features a gas stove, an electric oven, rangehood, dishwasher, glass splashbacks, stone countertops and a breakfast bar. Two separately placed bedrooms with sliding built-in wardrobes are serviced by two matching-style bathrooms with large twin-head showers, stone top vanities and toilets. This includes the main bedroom, which provides an ensuite and sliding door access to the courtyard.

Further features such as two split system heater/air conditioners, a water tank and a remote single garage with internal entry and an incorporated laundry complement the home. The complex in which it resides boasts handy visitor parking, and is located within close proximity to parks, trails, recreational facilities, childcare and medical centres, several schools, shopping centres, cafes and restaurants.
