## **Investment Opportunity.....**

Centrally located approximately 160 metres from the Tenterfield CBD, this property comprises 2 flats providing an opportunity for the investor / renovator.

The front flat comprises 2 or 3 bedrooms, lounge, dining, kitchen, bathroom, laundry, storeroom and two-sided enclosed verandah. The rear flat comprising 1 bedroom, kitchen / dining, large living area, bathroom and laundry. Both have reverse cycle air.

The rear flat has been renovated and previously used as a childcare facility with a securely fenced yard, whilst the front flat has plenty of character and appeal and would benefit from a makeover.

Properties with this location and potential are rare in the market and command consideration.
