Low Maintenance with Great Investment Potential

Welcome to this delightful two bedroom unit that embodies the perfect combination of convenience and easy living. Ideal for first home buyers, down sizers, or savvy investors, this property offers fantastic rental potential thanks to its proximity to amenities and a location less than 10 minutes from the heart of Launceston.

Step inside to discover a functional open plan layout that seamlessly connects the living and kitchen areas. This enhances the sense of space and allows for effortless daily living. The kitchen is equipped with ample cabinetry, providing maximum room for storage.

Both bedrooms are generously sized and feature built in wardrobes, providing a neat and organised living environment. The centrally located bathroom is well appointed and easily accessible from all aspects of the property.

Outside, a low maintenance courtyard at the back. Designed for minimal upkeep, the courtyard ensures you have more time to enjoy the things that matter most.

For added convenience, the property includes a single undercover carport, offering protection from the elements and easy access to your vehicle.

Situated in a well connected and family friendly area, the unit is close to Riverside's excellent schools, shopping centres and recreational facilities. With its ideal location, this property presents a fantastic opportunity for those looking to invest or settle down in a popular suburb.

*Tenanted until the 6th of January 2025
