Relaxation-Ready Living

Exceptionally presented and finished to the highest order, this stunning 2-bedroom villa delivers an ideal relaxation-ready lifestyle for the first-time buyer or downsizer, with every need wonderfully catered for and no stone left unturned.

A celebration of open-concept living spans out from the instant you step inside, with timber-look floors, high ceilings and large windows lending an essence of understated elegance and sophistication. The stone-topped kitchen's high-quality appliances make everyday gourmet an effortless breeze, with the landscaped deck house in complete privacy, providing the perfect place to start your day in the morning sunlight.

The two robed bedrooms are ideally zoned away from social noise around a central bathroom and toilet, including the primary suite with a deep walk-in robe and convenient ensuite entry into the bathroom. Complete with split-system air conditioning, ducted heating, privacy blinds, a rainwater tank and internal access to the single garage, it sits on the edge of the rural Peninsula, a short drive from The Gateway and Plaza shopping centres, desired schools, public transport, and freeway access.
