Space and Privacy in MSC Zoned Locale

A brilliant first home or investment opportunity, this incredibly spacious 2-bedroom, 2-bathroom villa unit is simply brimming with low maintenance appeal.

Set well back from the road at the very rear of a quiet, neatly kept and securely gated enclave, the single-level home delivers space, comfort and convenience in a wonderfully easy-care setting. Bound to pique the interest of discerning owner-occupiers as well as savvy investors, among its standout features are a large north-facing lounge, a tiled kitchen and meals area (dishwasher and gas cooking), a combined bathroom/laundry and two generous robed bedrooms - including the ensuited master.

Outside, discover an easy-to-maintain but surprisingly spacious wrap-around courtyard with access to the auto garage. The home is kept warm thanks to ducted heating; it has also been freshly painted throughout.

An affordable entry into the prized McKinnon Secondary College zone, the unit is close to bus stops and is within minutes of Ormond station, cafes and shops.

We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
