Effortless Single-Level Living in a Sought-After Location

Tucked away at the rear of a beautifully maintained complex, this charming 3-bedroom residence offers privacy, convenience, and a host of desirable features-ideal for young families, downsizers, or investors.

The home comprises three spacious bedrooms, all with built-in robes, including a master bedroom complete with an ensuite, built-in robe, and split-system heating and cooling. The L-shaped living area, also fitted with a split system, provides ample space for relaxation, while the separate dining/meals area ensures flexibility for entertaining.

The well-equipped kitchen features an electric cooktop, oven, dishwasher, and abundant storage. A central bathroom with a separate shower and bathtub, a separate laundry, and ducted heating throughout enhance everyday comfort.

Outside, the undercover alfresco area and secure rear yard create an inviting space for outdoor living. Parking is a breeze with a single lock-up garage (remote-controlled), a carport, and additional onsite parking.

Nestled within the prestigious Mount Waverley Secondary College Zone, this property enjoys convenient proximity to a variety of retail options and excellent public transport links.
