This is a lovely space to enjoy all year round, with a sunny, northerly aspect, perfect in the winter, and an insulated high-clearance pergola to keep you comfortable in summer.

And if you're feeling hot, not one but two pools are just metres away. Maintained by the body corporate, you can enjoy all the benefits of resort-style living without any of the upkeep! The complex also boasts a well-equipped gym with machines and weights, so there's no need for extra gym memberships.

Additional highlights you'll love include climate comfort with ducted heating and cooling, a ceiling fan in the bedroom, roller blinds throughout, and a two-car enclosed carport, or 'garport' with an electric roller door.

Currently leased for \$501 per week on a periodic lease, this unit will appeal to owner-occupiers wanting low-maintenance living with the extra bells and whistles of a pool or investors seeking a property with a proven track record.
