Ground Floor Unit - Perfect for Retirees or Investors

This beautifully presented ground floor unit presents an ideal opportunity for retirees or savvy investors looking for a low-maintenance home or rental property. Situated in a quiet, well-maintained complex of just four units, it offers a peaceful retreat with the added convenience of local amenities nearby.

The unit features two spacious bedrooms with built-in robes, a modern kitchen, and a light-filled open-plan living area. The fully-tiled bathroom is both practical and stylish, while the newly updated laundry enhances the home's functionality. A single carport ensures secure off-street parking.

Step outside to enjoy a full-length balcony and a generously sized courtyard with a covered alfresco area - perfect for savoring your morning coffee or growing your own vegetable garden.

Ideally located just 700 meters from Urunga's shops, clubs, cafes, and restaurants, this property strikes the perfect balance between convenience and lifestyle. Whether you're looking to downsize or invest in a sought-after area, this unit is a must-see!
