### **3 Bedroom Apartment Close to Town**

Are you looking for an apartment close to town?

Are you looking for an investment close to medical facilities?

Are you a medical worker wanting to live near your work?

Are you looking for a good Airbnb property?

Are you looking for a light and airy apartment in a great location?

If you can answer Yes to any of these you must come and see this beautiful apartment. The open plan living is great, the segregated main bedroom will be loved, the secure car parking for peace of mind and the recent renovations to the complex make this an ideal place to live-in or invest.

Come see this weekend or call for a private inspection.
