Great Rental Investment In Proserpine

This 2 bedroom, 1 bathroom unit is situated in the heart of Proserpine, in a quiet street only one street back from the Main Street in town.

This unit is upstairs/downstairs with the 2 bedrooms and 1 bath upstairs and the large lounge, kitchen and dining room downstairs. There's an undercover car space at the rear of the building and an enclosed courtyard at the front giving privacy to the owner or tenant.

This is a great property to have as an investment with low Body Corporate at \$1,260 per year and rent at \$350 per week. Please call me today for a private inspection on 0438755725.
