Convenient city living

Nestled in a highly desirable location, Apartment 4 at 334 Liverpool Street offers an ideal base for those seeking a convenient lifestyle.

The inviting lounge area is a comfortable spot to unwind, featuring a Daikin Heatpump and electric panel heater for year-round comfort. The well-equipped kitchen includes modern appliances, ample storage, and generous workspace with room to dine.

The generously sized bedroom comes with a built-in wardrobe for easy storage. The bathroom offers a shower, vanity, and toilet, along with ample space for laundry needs.

Apartment 5 is also available for purchase, presenting a valuable opportunity to acquire the entire lower level or for developers looking to consolidate the units. Additionally, the garden area provides further development potential, including the possibility of an ancillary dwelling (subject to council approval).
