This two bedroom home is spread spaciouly over two levels and having been recently painted throughout offers a modern home in a very central and convenient location. Polished floor boards throughout plus large windows ensure the home is naturally warm all year round with electric heating for those extra cooler days. Electric cooking in the galley style kitchen ensure convenience. With ample off street parking including a single carport under cover on the bottom level of the home, with a lockable area for security. Stairs leading to the front door have small garden beds for the green thumbs. Available late Feburary, contact our office now for a viewing.
