Have you heard the saying: "They just don't make them like this anymore"? Well, this gorgeous apartment fits into this category - the sheer size and spaciousness of this home is a pleasant surprise. Sorry, pets are not allowed on House Rules. Adding to the openness of the home and the contemporary feel, the hero of the home is the balcony - perfect for the entertainer - and large enough to combine a BBQ, outdoor dining and lounge area. It is almost always shaded from direct sun all year round. You can kick back and watch the world go by, capture tree top views and delightful breezes and experience magnificent colour-filled skies each morning and evening. With a sizeable 179 Square metres under roof, this modern THREE bedroom, TWO bathroom apartment is on the top floor of a well kept complex of eight. It has an oversized open plan living area which is sure to please those with an affinity for a large relaxing couch! You won't be running out of storage space anytime soon in this modern kitchen - it has loads of bench space and a breakfast bar that is perfect for weekend brunches, or a quick bite before you run out the door. (Fridge space 1.8 m High, 900mm wide) The master bedroom features a modern ensuite and walk in robe, and it's good knowing the comfort extends to the other two good sized bedrooms with built in robes. Best of all, it's located on the edge of Coconut Grove, where old Darwin Charm meets New: part of an established neighbourhood that offers the laidback hustle and bustle Darwin is synonymous for, while also being quiet enough to retreat and relax. Literally around the corner from the shops, cafes, Sunday morning markets, the Nightcliff foreshore, walking paths and jetty. It's perfect for the active enthusiast - ride to the various pop up restaurants, take the kids to the park, stroll along the beach ... there is plenty on offer for a busy, or quiet, or active lifestyle - or a combination of all!
