Exciting Market Entry Opportunity With Nothing to Spend

This is an exciting opportunity to enter the competitive Sherwood market without needing to spend a cent on updating the property.

With a spacious floor plan, offering the additional versatility of a home office / TV room and a brand new renovation, whether a first home buyer, downsizer or investor looking for a solid portfolio addition, even the most discerning buyer will be delighted.

On ground level, you will find an oversized garage, offering space for a car or ute, in addition to room for a workshop or storage, or to create a bathroom for the multipurpose room also found on ground level. The multipurpose room is a rare offering for apartments of this style and would serve as a brilliant home office or TV room.

Upstairs, you're greeted by an immaculate renovation, an abundance of natural light and breezes that only a top floor apartment can offer.

An open plan living / dining is complemented by a stylish kitchen with ample storage and eye catching finishes. Two large bedrooms, both with built ins, are serviced by a bathroom featuring beautiful finishes and a bathtub.

An exciting opportunity, don't delay in making it yours.
