Spectacular Views over Launceston

Located at the top end of Andrea Place with spectacular views over Launceston, the Tamar River and beyond to the mountains finds this spacious townhouse set amongst other like properties.

Built in the mid 90s, features include three bedrooms, two bathrooms, expansive lounge area leading to a lovely deck area, mature gardens, parking for two cars and a workshop with further potential underneath for development.

Located only minutes from all major services and facilities, the townhouse is in really good condition and only requires your personal touch before moving in.
