Neatly presented and tucked away in a quiet location, this 3-bedroom, 2-bathroom home with a double lock-up garage offers both privacy and convenience. Situated at the rear, it provides additional parking space for your vehicles. All bedrooms are generously sized and include sliding mirrored wardrobes, ensuring ample storage for your needs. A concealed laundry in the front passage keeps everything neatly tucked away, adding to the home's practical layout. The open-plan kitchen features tiled flooring, a 4-burner gas cooktop, and an electric oven-ideal for easy meal prep and entertaining. The enclosed paved yard is perfect for relaxing or hosting guests. This home is the perfect blend of comfort, security, and functionality.
