Quiet, convenient & comfortable

This immaculate, air-conditioned single level 'Over 55's' villa is the perfect property for the older downsizing buyer. Beautifully presented with bright modern interiors and covered outdoor patio overlooking a private, paved courtyard and garden with a large covered 'al fresco'/BBQ area, the cosy home is conveniently located in a neatly maintained, boutique complex within walking distance to Caringbah Pool, Library, shops and train station.

There are two generous bedrooms, a renovated bathroom and kitchen, stylish plantation shutters on all windows and a remote controlled lock-up garage with internal access.
