Position. Presentation. Value.

Perfectly positioned in the heart of this ever-popular suburb, this beautifully renovated courtyard home is walking distance to Torrens Linear Park and close to a variety of local shops and eateries.

A large, open-plan living and dining area with timber floors is the central hub of the home, with the adjoining renovated kitchen making this a great entertaining space. This area overlooks and opens to the private, low-maintenance rear courtyard with remote control retractable awnings - the perfect place to spend afternoons with family and friends. There are two bedrooms (main with built-in wardrobe), both serviced by the central bathroom which has been beautifully renovated in neutral tones.

The updated laundry offers direct access to the rear yard, the second toilet offers convenience, ducted R/C A/C ensures year-round comfort, and roller shutters add extra security.

A garage with automatic door and direct internal access provides secure vehicle space and there is room for an additional vehicle in the driveway.

Immaculate from front to back with nothing to do but move in - this is the ideal starter, downsizer, or investment property.
