This wonderful, light filled town house is sure not to last long. The kitchen is very well presented and opens to the dining and lounge areas that soak up the sun. Two decent sized bedrooms and a bathroom with the added bonus of a separate bath. The yard area is extremely low maintenance and the private courtyard/barbecue area takes advantage of the afternoon sun. The location of the property is superb with Dominic college being only a short stroll away along with Tolosa park. The shopping district is also only a 5 minute drive away.
