Ross Sorbello

House and Workshop Highway Frontage Tully

Inspect this high set house on a commercial block of land (4,047m²) with workshop on the Bruce Highway to the north of Tully

Included in this Sale is a masonry block solid build 12 x 12 meter 8 m high shed or workshop.

At the rear of the property is a high set timber, three bedroom, one bathroom home with a double carport.

Plus another small block brick shed as well

This property would certainly make a good position for a commercial workshop on the highway with extra land for storage.

Call Ross to inspect on 0488 3805 or Email: sales@tullyrealty.com.au.
